Gentlemen!

Gentleman was launched in autumn 2006 as a large-format magazine brim-full of intriguing reports and fascinating ideas, with an inviting layout and superb photography.

Gentleman (Du/Fr) is the Belgian lifestyle magazine for the modern man. An extraordinary magazine with an extraordinary format. A luxury magazine in a luxury edition.

The two-monthly style guide Gentleman tracks out-of-the-ordinary lifestyles. With no-nonsense reporting on gastronomy and wine, travel, luxury cars and super yachts, high tech, watches, sport, fashion, art, leisure, design and architecture.

Gentleman also gives readers a glimpse into the world of successful top male figures in Belgium and on the international scene.

With unique stories on the secret of their success. And, in particular, how they enjoy life. Every year, Gentleman publishes special files on super cars, beauty & fitness, watches & timepieces, electronic gadgets and high tech.

With an emphasis in each issue on exclusivity. Hard to say no!

Gentlemen keeps a net circulation of more than 25,000 and is estimated to have a quarter of a million readers!
