Germany

CAPITAL - the most widely-read German business magazine

As the most widely-read German business magazine, CAPITAL is ideal for reaching up market target groups - people with the taste and money, to afford luxurious products. CAPITAL has just released a report which describes its competence in the fashion and luxury sectors. Not only the main issue of CAPITAL, but also the monthly GUIDE editorial section featuring luxury-oriented topics such as watches and jewellery, cars, travel and hotels and the art market

For a copy of the report, please contact adbizz.
